Cena brutto	<b>480,00 zł</b>
Cena netto	<b>390,24 zł</b>
Dostępność	<b>Na zamówienie</b>
Numer katalogowy	<b>331575518</b>
Kod producenta	<b>USA-NX-SNF-21000</b>

### Opis produktu

The Snow Performance Fuel Filter is CNC Machined from billet aluminum for the ultimate in looks and corrosion resistance. The filter has 10AN ORB inlets and outlets to ensure that maximum flow is achieved without any restrictions. Our fuel filters feature an interchangeable micron filter element. These micron filter elements, available in 100 or 30 micron sizes, are made from a durable, easy-to-clean stainless steel mesh. This Billet Aluminum Fuel Filter is 2 inches at its widest point and 5.5 inches in length. We recommend purchasing our fuel filter brackets (part# SNF-20001) in order to securely mount this billet fuel filter. Rest assured that your engine will stay safe with Snow Performance Fuel Systems Billet Micron Fuel Filter. 2 Inch Outer Diameter (O.D.) 10AN ORB Female Inlet/Outlet 30/100 Micron Stainless Steel Mesh Filter Element Made from Billet Aluminum
