### Opis produktu

When you need Organic Acid Technology or oil vapour resistant reinforced silicone hose, Fluorosilicone lined hose will deliver the performance you are looking for. The hose lining is made up of a fluorosilicone compound which is a blend of a fluorosilicone rubber base, fillers, modifiers, vulcanizing agents, and pigments which once combined together, offer excellent chemical resistance.

These hoses are available in blue or black, simply select your choice in the options above.

**This is sold in 1 Meter Lengths Only**
