Numer katalogowy	<b>331570334</b>
Kod producenta	<b>USA-NX-15550</b>

### Opis produktu

This billet aluminum manifold swivels on one end which allows you to attach the manifold without turning the entire manifold body. This is extremely usefull when attaching the manifold to our 4" nitrous gauges. The manifold has one 1/4" npt port allowing you to connect a 4" nitrous gauge or any 1/4" npt accessory in-line with an 8AN line.
