Aktuator Turbosmart IWG75 VAG 1.4 1.8 2.0 TSI TFSI 5PSI

Cena brutto	1 132,79 zł
Cena netto	920,97 zł
Dostępność	Na zamówienie
Numer katalogowy	331430351
Kod producenta	TS-0645-2052

Opis produktu

The Turbosmart VAG wastegate actuator range has been designed as a stronger, more reliable replacement for OEM parts. Like all Turbosmart parts, billet construction means they are stronger and more durable than a stock actuator, while Turbosmart's focus on performance means boost comes on faster and holds on longer. This actuator is not suitable for IHI variant labelled turbochargers for the K03 family, please refer to TS-0645-5052 for IHI variant K03 actuator solutions. FEATURES: • Silicone diaphragm with Nomex reinforcement to withstand high temperatures. • High grade, billet aluminum construction. • Stainless steel rods and connecting clevis for corrosion resistance. • Locking Collar design cap allows for quick spring changes. • Ideal for use with any Turbosmart boost controller. Supplied With: Bracket and Fitting Hardware, Adjustment Nuts, Brown/Grey 5psi Inner Spring (installed).
