Cena netto	260,08 zł
Dostępność	Na zamówienie
Numer katalogowy	331505119
Kod producenta	ZRP-ARP-251-2802

Opis produktu

These Pro Series flywheel bolt kits from ARP give you all that you need to bolt in your flywheel with confidence. They're much stronger than OEM hardware, are forged from aerospace alloy, and are heat-treated prior to thread rolling and machining. These bolts feature an exclusive, flat 12-point head design and a larger-than-stock shank diameter for increased strength and improved flywheel register. Kits include washers and nuts where applicable.
