## Audi 3.0TFSI Oil Cooler Adapter Plate

Cena brutto	<b>1 338,87 zł</b>
Cena netto	<b>1 338,87 zł</b>
Dostępność	<b>Na zamówienie</b>
Numer katalogowy	<b>379175786</b>
Kod producenta	<b>FMO C3</b>
Kod EAN	<b>*5056721234052*</b>

### Opis produktu

A must on any tuned Audi 3.0TFSI engine. This oil cooler adapter plate enables the custom installation of an aftermarket oil cooler. This kit replaces the OEM water/oil heat exchanger allowing oil and water systems to run separately reducing the heat transfer between the two. With this billet adapter fitted the oil can then be routed to a large external oil cooler. CNC machined at our Gloucester machine shop from aircraft grade aluminium alloy and clear anodised.

Supplied with 2x M18 to Dash/JIC 8 adapters.

**This part will fit all engines which has the OEM oil cooler Part No. 06E 117 021 G**

Production year	Model	Engine code
2013-2015	A4/S4	CREC,CRED
2012-on	A5/S5	CREC, CRED, CTDA
2015-on	A6/A6 Allroad/S6	CREC
2015-on	A7	CREC
