Boost Hose for BMW 535/635D LCI

Cena brutto	518,42 zł
Cena netto	518,42 zł
Dostępność	Na zamówienie
Numer katalogowy	379176707
Kod producenta	FMKT028
Kod EAN	*5056721220154*

Opis produktu

This hose has been designed to overcome the known boost and oil leakage of the original fitment hose on the BMW 535D E60/E61 LCI and 635D E63/E64 LCI models from 2007 up to 2010. Though this normally goes undetected due to its location, eventually, total failure occurs.

Our solution is a 4ply Fluorosilicone hose to withstand the temperatures and pressures involved, but more importantly resist the degradation from oil. This is combined with a CNC machined alloy coupler for the perfect, no leakage fitment. We supply the new hose, aluminium coupler and jubilee clips, in fact everything you require to replace your standard hose.

- The Forge silicone hoses in this kit have been designed to include an expensive inner liner of modified silicone known as Fluorosilicone
- This means the hoses are suitable to be used with either modern long-life coolants, Organic Acid Technology coolants (O.A.T.) or air containing oil mist
- The construction of the hoses has been engineered to exceed that of the OEM fitments, and will enhance any engine bay both technically and aesthetically
- Limited Lifetime warranty*

OEM Part number - 11617796293
