Opis produktu

Strong suction cup mount for mounting on straight and clean surfaces in vehicles.

This powerful suction cup mount can withstand high speeds and was designed with stability and a wide range of movements in mind. Ideal for cars and much more. The adjustable arms allow for extremely compact assembly. Since the holder can be swiveled, many adjustment options can be implemented. With our special mount, our CANchecked MFD32 or MFD32S can now be positioned variably in the vehicle.
