## Carbon Fiber Fuel Cell Lid 6 Gallon Radium Engineering

Cena brutto	<b>1 749,00 zł</b>
Cena netto	<b>1 421,95 zł</b>
Dostępność	<b>Na zamówienie</b>
Numer katalogowy	<b>331496360</b>
Kod producenta	<b>USA-RAD-13-0406-01</b>

### Opis produktu

**Construction:** Dry Carbon  
**Fabric:** Pre-impregnated  
**Tow:** 3K Filaments Per Fiber  
**Weave:** 2x2 Twill  
**Manufactured:** USA

#### NOTES:

- 1. This product is currently not available for RA-series Spare Tire fuel cells.**
- 2. Discontinued 15 gallon RA-Series Fuel Cells are compatible with 13-0410-01.**
- 3. If purchasing with a fuel cell, this product will come in a separate box and will need to be installed by the end user.**
- 4. The standard Radium Engineering aluminum lid cannot be exchanged.**
- 5. Follow the instructions below for installing this lid.**

- a. If removing a drop-in fuel pump assembly, such as an FCST, reference those specific instructions.*
- b. Use a 5/32" (or 4mm) Allen wrench for the stainless steel button head bolts.*
- c. Use a 7/16" wrench for the flange head nuts underneath the perimeter bolts.*
- d. When reinstalling, torque the perimeter bolts to 6.8-Nm (60-inlbs).*
- d. For the Phillips head screws that secure the inspection plate, use a micro screwdriver.*
- e. Be careful not to overtighten any bolts that could crack the carbon fiber resin.*
