Cena poprzednia	1 644,50 zł
Dostępność	Na zamówienie
Numer katalogowy	331389786
Kod producenta	MMRAD-MUS-05

Opis produktu

The Mishimoto Ford Mustang Performance Aluminum Radiator is the ideal upgrade to the stock Mustang radiator. Designed and specifically engineered to maximize cooling efficiency by up to 30%, boost engine functions and protect your car from overheating. Whether you use your Mustang for daily driving or take it to the track, many people overlook the importance of installing an upgraded radiator in their engine. A stock radiator can not handle the heat that comes along with having a great deal of horsepower.

The Mishimoto Ford Mustang radiator features a lightweight triple core, 100% brazed aluminum, and polished end tanks. Every Mishimoto Performance Radiator is a direct stock fit, making installation effortless, no cutting or modification required. As with all our aluminum radiators, this Mustang radiator includes the Mishimoto Lifetime Warranty, ensuring superior product quality and craftsmanship. For even more cooling efficiency check out the Mishimoto Ford Mustang Silicone Hose Kit.

- Direct fit for the 2005-2014 Ford Mustang 3.7L, 4.6L, and 5.0L
- Overall Size: 29.3" x 21.5" x 2.55" / Core Size: 19.49" x 23.94" / Rows: 3
