Dostępność	Na zamówienie
Numer katalogowy	331389832
Kod producenta	MMRAD-S13-89SR

Opis produktu

The Mishimoto performance aluminum radiator for the 1989–1994 Nissan 240SX with SR20 Engine is designed and engineered to maximize cooling efficiency by up to 30%, boost engine functions, and most importantly, protect your car from overheating whether you drive your vehicle daily or take it for track runs. The Mishimoto aluminum Nissan 240SX radiator features a lightweight dual core, 100% brazed aluminum, and polished end tanks, enhancing the overall performance of your engine. Every Mishimoto aluminum radiator is a direct OEM fit, making installation effortless with no cutting or modification required. This is the ideal upgrade to the stock Nissan 240SX radiator. This radiator comes with a high pressure 1.3 bar Mishimoto radiator cap and, as with every Mishimoto aluminum radiator, this radiator includes the Mishimoto Lifetime Warranty. For even more cooling efficiency check out the S13 fan shroud kit.
