Kod producenta	MMRAD-S14-95SR

Opis produktu

The Mishimoto performance aluminum radiator for the Nissan 240SX is designed and engineered to maximize cooling efficiency by up to 30%, boost engine functions, and most importantly, protect your car from overheating whether you drive your vehicle daily or take it for track runs. The Mishimoto aluminum Nissan 240SX radiator features a lightweight dual core, 100% brazed aluminum, and polished end tanks, enhancing the overall performance of your engine. Every Mishimoto aluminum radiator is a direct OEM fit, making installation effortless with no cutting or modification required. This is the ideal upgrade to the stock Nissan 240SX radiator. This radiator comes with a high pressure 1.3 bar Mishimoto radiator cap and, as with every Mishimoto aluminum radiator, this radiator includes the Mishimoto Lifetime Warranty. A perfect match to the Mishimoto lightweight aluminum Nissan 240sx fan shroud. *Also fits Nissan S15
