Chłodnica wody Mishimoto X-Line Subaru Impreza WRX/STI 2002-2007

Cena brutto	2 184,00 zł
Cena netto	1 775,61 zł
Dostępność	Na zamówienie
Numer katalogowy	331389868
Kod producenta	MMRAD-WRX-01X

Opis produktu

When properly maintained, the Subaru flat-four is well known for its substantial power and impressive reliability. Proper regulation of coolant temperature is key to extending the life of your EJ-powered Subaru. Highly modified turbocharger setups and aggressive driving can result in high temperatures, which increases wear on internal engine components. Mishimoto's X-line aluminum radiator is engineered specifically for the 2001-2007 Subaru WRX/STI and features a large three-row core and full aluminum construction. This design yields optimal temperatures even in the most demanding environments. This radiator also features a 100% brazed aluminum core with TIG-welded end tanks for increased durability, longevity, and a substantial increase in coolant capacity. The large three-row core enhances surface contact, resulting in improved efficiency, improved heat transfer, and lower engine coolant temperatures for your Subaru. The Mishimoto Subaru WRX/STI radiator includes a Mishimoto 1.3 Bar High-Pressure Radiator Cap, which effectively raises the boiling point of coolant to create a safer and more efficient system. Included with this radiator is a Mishimoto M16 Magnetic Oil Drain Plug that removes metal fragments circulating in the coolant system, thus further protecting your engine. Whether you are looking for a reliable stock replacement radiator or a heat exchanger efficient enough for track abuse, the Mishimoto Subaru WRX/STI X-line Performance Aluminum Radiator is an ideal choice. As with all our products, this aluminum radiator is backed by the Mishimoto Lifetime Warranty. Direct fit for 2001-2007 Subaru WRX/STI Overall Size: 28.4" x 17.2" x 2.5 / Core Size: 13.54" x 27.24" / Rows: 3 Inlet & Outlet: 1.5" / Core Thickness: 2" / Tank Wall Thickness: 0.08" TIG-welded aluminum radiator includes high-pressure rad cap and magnetic drain plug Mishimoto Lifetime Warranty
