### Opis produktu

Competition transmission oil cooler kit for BMW M3/M4 G8X S58

The WagnerTuning transmission oil cooler kit is a must have for all racing enthusiasts as it effectively prevents oil temperatures from rising above optimal levels. Even when subjected to demanding conditions, the additional cooling surface efficiently reduces the oil temperature, which ensures consistent oil pressure.

#### Features:

- +81.6% larger frontal flow area
- +93.6% larger core volume
- guarantees optimal oil cooling even for tuned cars
- plug & play installation

#### Kit comes with:

- 1x oil cooler (coated black)
- 1x mounting material

Weight: 24.00 kg
