Competition Gen.2 Intercooler Kit Wagner Tuning for Hyundai I30N

Cena brutto	3 499,01 zł
Cena netto	2 844,72 zł
Numer katalogowy	WT-200001129

Opis produktu

Prepare to unleash the full potential of your Hyundai i30 N with the innovative Wagner Tuning high performance intercooler. This cooler is specifically designed to meet the demands of your i30 N and offers impressive performance enhancements. Our intercooler is equipped with a modern Competition intercooler core (Tube Fin) and has impressive dimensions: 580 mm x 150 mm x 135.4 mm + 580 mm x 62 mm x 70 mm (stepped core: 14.3 liters). Compared to the stock intercooler, it offers a massive 44.3% larger flow area and an astonishing 101.4% more core volume. Our cast aluminum end boxes were carefully designed in CAD and optimized using CFD simulations to ensure ideal internal airflow. The result? Excellent cooling characteristics with minimal back pressure. The newly developed performance high-performance intercooler core, complemented by a specially manufactured air baffle, ensures that neighboring components, such as the water cooler, receive sufficient airflow. Perfect for racing! Our intercoolers are equipped with an anti-corrosion coating that not only protects against environmental influences, but also provides excellent heat conduction properties. This ensures a durable and optimal cooling performance for your i30 N. Installation takes place at the original mounting points and is uncomplicated thanks to the plug and play design. You can rely on the quality of our products, as they are subject to strict qualitative monitoring. Enrich your driving experience with the Wagner Tuning high-performance intercooler for the Hyundai i30 N. Feel the power! The Wagner Tuning COMPETITION INTERCOOLER KIT fits for the following models: Hyundai i30 N 184KW/250PS (2017-2020). Hyundai i30 N Performance 202KW/275HP (2017-2020). Hyundai i30 N Project C 202KW/275HP (2019-2020)*not suitable for facelift as of 05/2021. Inlet and outlet diameter: Ø65mm. Core dimensions OEM intercooler: V = 7,1 LA = 793,60 cm². Core dimensions Wagner Tuning intercooler: V = 14,3 LA = 1142,6 cm². m = 9,3kg. Part number 200001129. Kit comes with: 1 intercooler, 2 silicone hoses, 1 air baffle, 1 mounting material.
