Cena poprzednia	6 118,29 zł
Dostępność	Na zamówienie
Numer katalogowy	331140322
Kod producenta	WT-200001158

Opis produktu

Experience a breakthrough performance increase with the EVO III Competition high performance intercooler.

With intercooler core dimensions of 510 mm x 303 mm x 180 mm and an impressive total volume of 20.65 liters, this intercooler offers a massive 162% larger flow area and an impressive 182% more charge air volume compared to the stock intercooler. The high-quality Tube Fin core with internal turbulators ensures optimum cooling and maximum performance.

Despite its imposing size, the intercooler impressed with a total weight of only 13.2 kg. The cast aluminum end boxes were optimized using flow analyses in the CFD system to ensure optimum airflow. The result is outstanding cooling properties with minimal back pressure to keep your BMW Z4 35i(s) running at peak performance.

The EVO III Competition intercooler kit was developed specifically to meet the high demands of large tuning stages on the BMW Z4 35i(s). It contains reinforced silicone hoses and eliminates the original click connections. The connection diameters at the inlet and outlet have been expanded to Ø70mm to ensure optimal airflow. Each of our intercoolers is finished with a high quality anti-corrosion coating to ensure a long lasting and optimal cooling effect. Installation of this completely ready-to-install kit is a breeze. Simply replace the stock intercooler with the EVO III Competition high performance intercooler - plug and play. Please note that due to the extreme size of the radiator, minor adjustments to the radiator support may be required.

The EVO III Competition high performance intercooler has been tested up to 6 bar and is absolutely pressure stable. For us, the quality of our products is paramount, so all of our products are subject to constant qualitative monitoring. This intercooler is also perfect for racing.

The Wagner Tuning intercooler kit EVO III Competition fits the following vehicles with N54 & N55 engines:

BMW Z4 35i E89 2009+
BMW Z4 35is E89 2010+

Part number 200001158

The Kit comes with:

- 1 intercooler
- 2 silicone hoses
- 1 mounting material
- 1 assembly instruction
