Dostępność	<b>Na zamówienie</b>
Numer katalogowy	<b>331140266</b>
Kod producenta	<b>WT-200001134</b>

### Opis produktu

Maximum Power, Minimum Weight - The Wagner Tuning Competition Intercooler for your Audi A4 B8 Allroad.

Experience a performance boost that will exceed your expectations. Our high performance intercooler redefines the rules and helps your Audi A4 B8 Allroad reach peak performance.

With mesh dimensions of 610mm x 440mm x 65mm and an impressive volume of 17.446 liters, this intercooler offers a 178% larger flow area and 158% more charge air volume compared to the original. Despite its size, it surprises with a weight of only 9.1 kg. Our Competition high performance mesh with internal turbulators is the heart of this intercooler. Designed to give you the best performance possible, it impresses with its quality and efficiency.

The cast aluminum end boxes have been optimized with CAD and CFD simulations to ensure ideal internal airflow. An integrated air guide in the end box ensures even filling of the Competition high-performance mesh. With a connection diameter of Ø67mm, reinforced silicone hoses are included. All our intercoolers are equipped with an anti-corrosion coating, which not only protects against environmental influences, but also has excellent heat conduction properties. This guarantees a constant and optimal cooling performance, accompanied by a noticeable increase in power. Our intercooler kit is completely ready to install and only requires replacement with the stock intercooler. A simple solution for a significant performance increase.

Tested and pressure stable up to 6 bar, our intercooler is ready for racing and demanding drivers. At Wagner Tuning, quality comes first. Our intercooler kit is subject to continuous quality monitoring to ensure you get only the best.

Ready for more power? Enhance your driving experience with the Wagner Tuning Competition intercooler.

The Wagner Tuning Competition Intercooler Upgrade Kit is suitable for the following vehicles:

Audi A4 B8.5 2.0 TDI 2013-2015 (MKB: CJCA, CJCБ, CMFA, CGLC, CGLD, CJCC, CMGB, CJCD, )\*.

Audi A4 B8.5 Allroad 2.0 TDI 2013-2015 (MKB: CJCA, CJCБ, CMFA, CGLC, CGLD, CJCC, CMGB, CJCD)\*

Audi A5 B8.5 2.0 TDI 2013- (MKB: CJCA, CJCБ, CMFA, CGLC, CGLD, CJCC, CMGB, CJCD, )\*

Audi A5 B8.5 Sportback 2.0 TDI 2013- (MKB: CJCA, CJCБ, CMFA, CGLC, CGLD, CJCC, CMGB, CJCD)\*.

\* For vehicles with dynamic steering, the additional cooling loop must be relocated to a different position. Please refer to our installation instructions for instructions.

Part number 200001134

Kit comes with:

- 1 intercooler
- 2 charge air hoses
- 1 aluminum tube
- 5 hose clamps
- 1 mounting material
- 1 assembly instruction
