Competition Intercooler Kit Wagner Tuning for Ford F150 2017 10 Speed

Cena brutto	5 213,97 zł
Cena netto	4 239,00 zł
Numer katalogowy	WT-200001118

Opis produktu

Ready for a revolutionary improvement in your vehicle's performance? Our high-performance intercooler sets new standards and offers: Our intercooler redefines the rules. With mesh dimensions of 500 mm x 388 mm x 125 mm (stepped), it offers an impressive 62% larger flow area and an astonishing 108% more charge air volume compared to the original. Your engine will receive more cooled air, resulting in a noticeable increase in power. Our new Competition high-performance mesh is specifically designed to provide adequate airflow to adjacent components, such as the water cooler. This mesh is not only powerful, but also extremely lightweight, increasing the efficiency of your vehicle. The end boxes of our intercooler are made of high-quality cast aluminum and have been optimized using flow analysis in the CAD system. This ensures maximum performance and efficiency. Our intercooler features 50% lower backpressure, making it the best choice when it comes to low intake temperatures. Enjoy the benefits of optimized cooling of the supercharged air and experience a significant increase in performance. Installation of our kit is as easy as can be and includes additional mounting hardware to offset the original oil cooler. Quality is our top priority, and each of our products is subject to constant qualitative monitoring. It's time to take your driving experience to the next level. Discover the future of vehicle performance with our high performance intercooler. Boost your vehicle's performance, lower intake temperatures and increase efficiency. Experience a new dimension in vehicle performance with our high performance intercooler. Your satisfaction and performance are our top priority. Convince yourself of our quality and improve your vehicle with our high performance intercooler! Intercooler upgrade kit for Ford (USA) F-150 3.5L EcoBoost (2017 - 2020) with 10 speed automatic transmission. OEM intercooler: Cooling surface 1200cm² Charge air volume 9,6L Wagner Tuning intercooler: Cooling surface 1940cm² Charge air volume 19,9L Part number 200001118 Kit comes with: 1 intercooler 1 silicone hose 1 mounting material
