Competition Intercooler Kit Wagner Tuning for Mercedes Benz V-Klasse 447

Cena brutto	4 451,37 zł
Cena netto	3 619,00 zł
Numer katalogowy	WT-200001111

Opis produktu

Discover the ultimate high performance intercooler for your Mercedes Vito 114 CDI - The Wagner Tuning Intercooler Kit. Ready to give your Mercedes Vito 114 CDI an impressive performance boost? Then our WAGNERTUNING high-performance intercooler kit is the answer you've been waiting for. With cutting-edge technology and a custom design, this kit will provide you with an exhilarating driving experience. Our high performance intercooler features an innovative Competition mesh (Tube Fin) that is specifically designed to meet the needs of your vehicle. With impressive dimensions of 670 mm x 183 mm x 125 mm (15.3 liters), this high-performance mesh offers a whopping 87% more mesh volume compared to the stock intercooler. This results in a significant increase in power and cooling capacity. Our cast aluminum end boxes were designed in the CAD system and optimized using CFD simulations to perfect the internal airflow. The result is excellent cooling characteristics with minimal back pressure. With our intercooler, you can be sure that your supercharged air is optimally cooled, resulting in a noticeable increase in performance. Our intercoolers are equipped with an anti-corrosion coating that provides excellent heat conduction properties and protects against environmental influences. This ensures a durable and optimal cooling performance. The assembly takes place at the original mounting points and is easy to perform (plug and play). The intercooler fits seamlessly to the original charge air hoses. All our products are subject to strict qualitative monitoring to ensure that they meet the highest standards. With our Wagner Tuning high performance intercooler kit, you are well equipped to conquer the road and take the performance of your Mercedes Vito 114 CDI to the next level. TÜV parts certificate included. Wagner Tuning COMPETITION CHARGE AIR COOLER KIT Mercedes Benz V-Class 447 suitable for the following vehicles: Mercedes Benz 447 V-Class Vito 114 CDI (2014-2019) [100KW/136PS].
