Competition Intercooler Kit Wagner Tuning for Renault Clio 4 RS

Cena brutto	3 436,50 zł
Cena netto	2 793,90 zł
Numer katalogowy	WT-200001088

Opis produktu

Bring your vehicle to life: The high performance intercooler for the Renault Clio 4 RS. If you want to get the most out of your Renault Clio 4 RS, our high-performance intercooler is the answer. Here are the impressive details: With core dimensions of 300mm x 222mm x 125mm (7.7 liters of volume), this intercooler offers an impressive 16% larger flow area and an astonishing 113% more charge air volume compared to the factory intercooler. Our Competition high-performance intercooler core is not only highly effective, but also extremely lightweight. Weighing only 5.5 kg, it will not make your vehicle heavier than necessary. The end boxes of the intercooler are made of cast aluminum and have been optimized down to the smallest detail using flow analyses in the CFD system. Incorporated air baffles at the inlet ensure even filling of the intercooler. The original click connections have been eliminated and the connection diameters at the inlet and outlet have been expanded to Ø60 mm. The kit includes two reinforced silicone hoses for easy installation. Designed for racing, this kit provides excellent cooling properties with minimal back pressure. Your Clio 4 RS will be more powerful than ever. All of our intercoolers are equipped with an anti-corrosion coating that also has excellent heat conduction properties. This ensures permanent and optimal cooling, resulting in a noticeable increase in performance. Installation is at the original mounting points and is easy to perform - a 1:1 replacement that will take your vehicle to the next level. Like all of our products, this intercooler is subject to strict qualitative monitoring. Quality is our number one priority. Ready for more power? Install our high-performance intercooler today and watch your Renault Clio 4 RS come to life. Visit our website for more information and ordering.

Competition Intercooler Kit Renault Clio 4 RS
OEM intercooler core: Cooling surface 57.600mm² Charge air volume 3,6L
Wagner Tuning intercooler core: Cooling surface 66.600mm² Charge air volume 7,7L
Part number 200001088
Kit comes with: 1 intercooler 2 silicone hoses 1 mounting material 1 assembly instruction
