## Competition Intercooler Kit Wagner Tuning for Subaru WRX STI from 2014

Cena brutto	<b>3 436,50 zł</b>
Cena netto	<b>2 793,90 zł</b>
Numer katalogowy	<b>WT-200001115</b>

### Opis produktu

Optimize the performance of your Subaru WRX STi with our Competition high performance intercooler! Our intercooler sets new standards. With core dimensions of 530 mm x 205 mm x 95 mm (10,300 cc total), it offers an impressive 20% larger flow area and a substantial 86% more charge air volume compared to the stock intercooler. This results in a noticeable increase in power and a better overall driving experience. Our high performance intercooler core was designed specifically to meet the needs of your Subaru WRX STi. It is a state-of-the-art Tube Fin core that provides optimal performance and cooling. Our cast aluminum end boxes were created in CAD and optimized with CFD simulations to ensure the best possible internal airflow. The result: outstanding cooling performance with consistent back pressure compared to the stock intercooler. Our charge air coolers are equipped with an anti-corrosion coating that not only protects against environmental influences but also offers excellent heat dissipation properties. This ensures durable and optimal cooling with a clear increase in performance. Installation is done by replacing the stock intercooler and is easy to perform - a plug-and-play upgrade that delivers immediate results. All of our products undergo rigorous quality monitoring to ensure you receive only the best. It's time to take the performance of your Subaru WRX STi to a new level. With our Competition high-performance intercooler, you can expect more power, better cooling, and an overall improved driving experience. Experience the future of performance enhancement. Invest in quality and boost the performance of your Subaru WRX STi with our Competition high-performance intercooler! Competition Intercooler Kit for Subaru WRX STi 2014-Subaru WRX Sti 2,5 Turbo 221KW/300HP (2014-)\* Not suitable for vehicles with strut brace.
