Competition Intercooler Kit Wagner Tuning Gen.2 for Hyundai Veloster N

Cena brutto	3 999,00 zł
Cena netto	3 251,22 zł
Numer katalogowy	WT-200001172

Opis produktu

Experience an impressive increase in performance with our Wagner Tuning performance intercooler! Designed specifically to meet the demanding requirements of the Hyundai Veloster N, our high-performance intercooler sets new standards for performance and efficiency. With the innovative Competition intercooler core (Tube Fin) and dimensions of 580 mm x 150 mm x 135.4 mm + 580 mm x 62 mm x 70 mm (stepped core: 14.3 liters), it offers an impressive 44.3% larger flow area and an incredible 101.4% more core volume compared to the original intercooler. The cast aluminum end boxes have been perfected using the latest CAD technology and CFD simulations for optimal internal airflow. The result is outstanding cooling properties with minimal backpressure. In addition, the newly developed performance high performance intercooler core ensures sufficient airflow for adjacent components such as the water cooler through the use of a custom air baffle. This kit is therefore the perfect choice for racing. Experience optimal cooling of the supercharged air and an impressive increase in performance! Our Wagner Tuning intercoolers are equipped with a high-quality anti-corrosion coating, which provides excellent heat conduction and protects them from environmental influences. This ensures a lasting and optimal cooling effect. They are mounted on the original mounting points and are easy to install thanks to the plug-and-play system. We attach great importance to continuous qualitative monitoring of all our products to always guarantee you the highest quality. With an inlet and outlet diameter of Ø65 mm, our high-performance intercooler offers maximum performance and optimal flow capabilities. Take your vehicle performance to a new level and experience the full power of your Hyundai Veloster N with the Wagner Tuning high performance intercooler! The Wagner Tuning COMPETITION INTERCOOLER KIT: Hyundai Verloster N 184KW/250hp (2018-2020). Hyundai Veloster N Performance 202KW/275PS (2018-2020). core dimensions OEM intercooler: V = 7.1 LA = 79360 mm² core dimensions Wagner Tuning intercooler: V = 14,3 LA = 114492 mm² G = 9,3kg Part number: 200001172 Kit comes with: 1 intercooler 2 silicone hoses 1 mounting material 1 installation instruction
