Competition Package Wagner Tuning VAG for VW Golf 7 GTI Intercooler / Downpipe

Cena brutto	8 526,00 zł
Cena netto	6 931,71 zł
Cena poprzednia	8 768,61 zł
Dostępność	Na zamówienie
Numer katalogowy	331467371
Kod producenta	WT-700001059

Opis produktu

The Competition package for VAG models 2,0TSI Gen3 fwd consists of the intercooler upgrade kit and the downpipe kit.

Intercooler Upgrade Kit 200001048

This Competition Intercooler has the following core size (640mm x 410mm x 65mm), providing 90% more volume compared to the original intercooler. Our engineers have increased the intercooler core size and efficiency, as well as improving the endtank design to remove any OEM bottlenecks, resulting in increased flow rating and charge cooling properties. This Golf MK7 intercooler uses our award winning WAGNERTUNING competition intercooler core which is made specifically for this application. Constructed of the highest quality tube and fin intercooler cores with inside turbulators combined with cast aluminum endtanks optimized by CFD for best possible internal airflow. With the help of additional air guides, inside inlet, an uniform filling of the intercooler is provided. The result is excellent cooling properties and a lot less pressure drop then the stock intercooler. Despite of it's size the weight of the complete intercooler is only 8,4kg. The inlets and outlets of the intercooler have been increased to Ø 70mm, so this kit comes with reinforced silicone hoses. This Intercooler Kit is the best choice when it comes to performance gains and low intake temperatures and also the right thing for racing. All of our intercooler use an anti corrosion protective coating with perfect thermal heat dissapating character. Optimal cooling with clearly more power. Kit is ready for installation, 100% perfect fit. Fitment is easy, replacing the OEM intercooler. All of our products undergo rigorous quality control.

The WAGNERTUNING Competition Intercooler Kit made for the VAG 1,8TSI - 2.0 TSI engine fits in to:

- VW Golf 7 GTI 2,0 TSI 162KW/220PS 169KW/230PS (incl. facelift and Performance model)
- VW Golf 7 R 2,0 TSI 221KW/300PS
- Skoda Superb 3V 2,0TSI 162KW/220PS
- Skoda Superb 3V 2,0TSI 206KW/280PS

With further modifications to the car, the intercooler fits also to:

- Audi A3 8V 1,8TSI 132KW/180PS*
- Audi S3 8V 2,0TSI 221KW/300PS*
- Audi TT 8S 2.0TFSI 169KW / 230PS*
- Audi TTS 8S 2,0TSI 228KW/310PS*
- Seat Leon 5F Cupra 2,0TSI 206KW/280PS*
- Skoda Octavia 5E 1,8TSI 132KW/180PS*
- Skoda Octavia 5E RS 2,0TSI 162KW/220PS*

packing list:

- 1 charge air cooler
- 2 silicone hoses
- 2 hose clamps

1 mounting material
1 installation instruction

Hosenrohr 500001019

Downpipe Kit with 200CPI Racing catalyst for VW Golf 7 GTI

made out of high quality stainless steel 1.4301 (SS304)
diameter before and after catalyst Ø76mm
200CPI EU6 Racing Metal Catalytic Converter
100% perfect fit, replace OEM
less thermal load on the turbocharger
more power by reducing back pressure
significantly more torque
including reduction to stock exhaust system

Fits plug and play for the following vehicles:

Audi A3 8V 1.8 TSI 132KW/180PS
Seat Leon III ST 1.8 TSI 132KW/180PS
Seat Leon III Cupra / R 2.0 TSI 195KW/265PS - 206KW/280PS
Skoda Octavia III 1.8 TSI 132KW/180PS
Skoda Octavia III RS 2.0 TSI 162KW/220PS
VW Golf VII GTI 2.0 TSI 162KW/220PS - 169KW/230PS

May not be approved for road use in your region.
