Opis produktu

This is a performance enhancing induction kit for the following vehicles: 2018-21 RS3 8V(facelift) 2.5TFSI 2016+ TTRS 8S 2.5TFSI 2019+ RSQ3 F3 2.5TFSI Features Improved throttle response Black powdercoated heat shield and inlet pipe Dyno result: +12.7hp / +21nm (this may vary dependant on vehicle) Easy to maintain dry pleated filter Cold air straight to the turbo charger What Does It Do? This induction kit delivers increased air flow and induction noise over the standard restrictive air box. Whether this kit is being installed to a standard vehicle or to a tuned vehicle, you can be sure of the positive performance gains this will deliver. What Will I Get? MST Performance utilise top quality components in all of their kits, see below for what this kit will include.. Black powdercoated heat shield. Black silicone intake coupler. Black powdercoated inlet pipe. Red pleated nanofibre filter. Comes complete with all the necessary mounting hardware and a comprehensive installation instruction guide.
