### Opis produktu

This performance intake kit is designed to fit 3.0 B58 Toyota Supra and BMW Z4 models from 2019 onwards. It is suitable for both right and left-hand-drive vehicles. Features An open air induction kit will give your car that ever needed increase in induction. Will give the vehicle an increase in BHP and more importantly torque. Optimise airflow and filtration by utilising the twin-tangential velocity stack that brings smooth air flow and the nanofibre filtration media. What Does It Do? This induction kit will increase the airflow into the turbo while increasing engine noise over the restrictive factory air intake system. This kit includes everything required for the fitting of the induction kit. What Will I Get? Ramair Filters utilise the top-quality components in all their kits see below for what this kit will include: Black heat shield Proram pleated filter Black silicone hose with take-off Intake Pipe with MAF housing Turbo Adapter Full fitting kit with easy step by step instructions Fits: Toyota Supra (A90) 3.0T B58 GR 2019-2023 BMW Z4 M40i 3.0T B58 2019-2023
