Opis produktu

Performance induction kit for the Vauxhall Corsa D and E, for compatibility refer to the table below. This intake kit replaces the OEM air box. Features 100% Hand made in the UK - Guaranteed against manufacturing defects for life Easy to clean using hot soapy water T304 Stainless steel cage support structure What Does It Do? Ramair SR induction kits are designed to eliminate the major sources of air flow restriction that your vehicle experiences from the factory intake system. Ramair guarantees that by replacing your restrictive OEM intake system with an aftermarket Ramair component you will see an increase in power and throttle response. The filters are designed to achieve high, almost unrestricted air flow while maintaining filtration levels critical to ensure the longevity of your engine. What Will I Get? Ramair Filters utilise the top-quality components in all their kits see below for what this kit will include: High performance twin layer foam filter. Cold air feed ducting Full fitting kit with all clips/brackets/bolts required Easy to follow step by step instructions Fits: Vauxhall Corsa (D) 1.0l 2007-2014 Vauxhall Corsa (D) 1.2l 2007-2014 Vauxhall Corsa (D) 1.4l 2007-2014 Vauxhall Corsa (E) 1.2l 2014-2019 Vauxhall Corsa (E) 1.4l 2014-2019
