### Opis produktu

Keep your BMW E36 cool with the Mishimoto Performance Fan Shroud Kit! This unique electric fan shroud setup completely eliminates the stock, failure-prone mechanical fan. The fan shroud mounts directly to the stock radiator, Mishimoto Performance Aluminum Radiator and Mishimoto X-Line Performance Aluminum Radiator and includes a 16" high-flow electric fan that produces over 1850 cfm of airflow. Optionally, this kit can include a Mishimoto Adjustable Fan Controller Kit, which will provide the user with total control over coolant temperatures. The Mishimoto BMW E36 Fan Shroud Kit includes all hardware required for installation and is compatible with the stock expansion tank. This fan shroud has a Stealth Black finish that provides a subtle accent for your engine bay. As with all our products, this fan shroud kit includes the Mishimoto Lifetime Warranty you know and trust. Direct-fit for BMW E36 1992-1999 Overall Size: 24.8" x 17.7" x 3.0" Includes one 16" high-flow fan with over 1850 CFM Optional fan controller provides complete control of coolant temperatures at idle Mishimoto Lifetime Warranty
