Dedykowany wentylator chłodnicy Mishimoto Honda CRX 1988-1991

Cena brutto	1 142,01 zł
Cena netto	928,46 zł
Dostępność	Na zamówienie
Numer katalogowy	331388235
Kod producenta	MMFS-CRX-88

Opis produktu

The Mishimoto Honda CRX Performance Aluminum Fan Shroud Kit will considerably improve engine cooling functions and the overall performance of your vehicle. The Mishimoto Honda CRX fan shroud kit is significantly lighter than standard fan shrouds, and is a direct stock fit. All Mishimoto fan shrouds will effectively drive out heat from the engine bay and deliver more air to the CRX radiator, while at the same time serving another very important purpose: securing the fan blades. The fan shroud will keep the fan blades in place, which otherwise could potentially damage other essential components in your engine. All Mishimoto aluminum fan shrouds include an adhesive protective strip. This adhesive-backed foam strip seals any remaining gap between the fan shroud and radiator so that the fans are only moving air that has passed through the radiator core as opposed to pulling in air from the engine bay, resulting in improved cooling efficiency. Direct fit for the 1988-1991 Honda CRX. Height: 15.5" Length: 25.6" Width: 3.5" Includes two fans, each over 1150 CFM. Fits both stock and Mishimoto radiators. Mishimoto Lifetime Warranty
