Opis produktu

Xforce offers a range of uniquely engineered and designed stainless steel bolt on exhaust systems. These exhaust systems bolt directly to existing mounting points making installation easy. They are built to perform well, with materials designed for longevity and like all Xforce exhaust systems they look and sound great! - make it roar!

- 2.5" downpipe
- 200 cell metallic high flow catalytic converter
- Euro style mesh flex bellow
- Non polished stainless steel
- Tune is recommended after fitment
- Will NOT bolt to factory standard cat back system

Please note: This product is equipped with a 200 cspi sports catalytic converter which is dedicated for track use only and it may not pass the emission test. Please check if high efficiency catalytic converters can be used on roads in your country.
