Cena brutto	420,84 zł
Cena netto	420,84 zł
Dostępność	Na zamówienie
Numer katalogowy	379175255

Opis produktu

This silicone hose fits the Audi S3, SEAT Leon Cupra and VW Golf ED30 2.0 litre FSiT engines. It runs between the diverter valve (located at the front of the engine) and the air intake (rear of engine).

This is available in red, blue, or black.

- The Forge silicone hoses in this kit have been designed to include an expensive inner liner of modified silicone known as Fluorosilicone.
- This means the hoses are suitable to be used with either modern long-life coolants, Organic Acid Technology coolants (O.A.T.) or air containing oil mist.
- The construction of the hoses has been engineered to exceed that of the OEM fitments, and will enhance any engine bay both technically and aesthetically
- The use of a Fluorosilicone liner ensures that Forge silicone hoses are the clear market leader.
- Lifetime warranty*
