EGR Replacement Pipe and Blank for Land Rover TD5 Engine

Cena brutto	322,67 zł
Cena netto	322,67 zł
Dostępność	Na zamówienie
Numer katalogowy	379175375
Kod producenta	FMEGRTD5

Opis produktu

This alloy replacement pipe has a CNC machined 10mm flange to ensure a perfect fit without distortion or leakage and along with the supplied steel blanking plate allows for the removal and replacement of the EGR valve on the Land Rover TD5 engine.

The removal of the EGR valve, even those which are working perfectly, will give an increase in power, but most of the EGR valves after a period of time, compounded by those vehicles used on short journeys, will partially block and lead to power loss and poor running if they are not cleaned or replaced. This really is a worthwhile modification.
