### Opis produktu

A Big Brake kit with 6 pot calipers and 356 x 32mm ventilated discs. The discs are grooved to remove braking residuals and maintain optimum performance. Included in the kit are Forge braided brakes hoses, mountings, and brake pads.

This kit is suitable for the new Ford Focus RS Mk3.

This brake kit is supplied with either our Forge Ceramic Brake Pads ([FMBKPAD](#)) or EBC Yellow Pads. For further information on EBC pads please see [EBC website](#).

Depending on your wheel design, you may need spacers between the hub and the wheel in order to clear the calipers.

**These kits do not have CE / TUV approval and are recommended for race use only**

**Each Caliper weighs 3.25kg**

**Each Disc weighs 9.35kg**

#### **PLEASE NOTE:**

**This item has a 10-12 week lead time**
