Forge Motorsport Silicone Breather Hose for Honda Civic Type R FK2

Cena brutto	133,72 zł
Cena netto	133,72 zł
Dostępność	Na zamówienie
Numer katalogowy	379176609

Opis produktu

This breather hose for the Honda Civic Type R FK2 is fluoro lined to prevent oil leaking through the silicone and discolouring it over time.

The hoses are available in red and black - simply select your choice in the options above. You can also have the hoses supplied with the appropriate hose clamps. If you wish to have these, simply select this using the drop down box above.

- The Forge silicone hoses in this kit have been designed to include an expensive inner liner of modified silicone known as Fluorosilicone.
- This means the hoses are suitable to be used with either modern long-life coolants, Organic Acid Technology coolants (O.A.T.) or air containing oil mist.
- The construction of the hoses has been engineered to exceed that of the OEM fitments, and will enhance any engine bay both technically and aesthetically
- The use of a Fluorosilicone liner ensures that Forge silicone hoses are the clear market leader.
- Lifetime warranty*
