Opis produktu

Be the envy of everyone around the campfire with this Forge Enamel Mug, bearing the 'Forge your own path' outdoors logo on a white and blue accent mug you'd be silly not to use this mug with your favourite beverage of choice.

This enamel mug is ideal for your outdoors adventures, whether you're roughing it in your tent or exploring out in your overland vehicle this mug will do it all. Being an enamel mug this means you're reducing your use of wasteful plastic drinkware, the enamel coating makes our mug hard-wearing and rustproof so it'll keep you going in the harshest of conditions.

Whats our beverage of choice?

We love a nice hot coco around the campfire, fresh whole-milk and add a splash of honey for sweetness. Don't forget to top with plenty of marshmallows to really treat yourself! Show us your favourite drink in our mug over on socials with the hashtag #forgenation.
