## Fuel Hanger Surge Tank for Nissan 370Z Brushless TI Automotive E5LM Radium Engineering

Cena brutto	<b>3 878,99 zł</b>
Cena netto	<b>3 153,65 zł</b>
Cena poprzednia	<b>4 787,24 zł</b>
Dostępność	<b>Na zamówienie</b>
Numer katalogowy	<b>331498241</b>
Kod producenta	<b>USA-RAD-20-1821</b>

### Opis produktu

#### COMPATIBILITY

2009-2020 Nissan 370Z (RH or LH Drive)

#### OVERVIEW

The Radium Engineering FHST (fuel hanger surge tank) is the ultimate solution for fuel starvation issues in the Nissan Z34 chassis. Due to the saddle-bag style OEM fuel tank and insufficient baffling, fuel starvation is common when the vehicle is driven aggressively, such as on a track. This results in unstable fuel pressure and possible engine damage from running too lean. A stand-alone surge tank is an excellent device for eliminating fuel starvation issues. But installing a stand-alone FST is difficult in the 370Z due to the open-cabin design, and lack of a firewall between the driver and the rear of the vehicle. So Radium Engineering chose to create a fully functional fuel surge tank INSIDE the OEM tank.

The Radium FHST can be used with 1 or 2 aftermarket pumps and supplies 1:1 regulated fuel to the engine. No grinding, bending, or modification of the vehicle's sheet metal is required. Furthermore the system is compatible with alternative fuels such as E85.

#### Features

- Drop-In Installation
- Permits 1 or 2 Surge Pumps
- Integrated 1:1 Adjustable Fuel Pressure Regulator
- Fuel Pressure Gauge
- Fuel Starvation Protection
- High Current Electrical Hardware
- Compatibility with Popular Fuel Pumps
- Anodized Aluminum Construction
- Gasoline, Methanol, and Ethanol Compliant
- Fuel Resistant Tubing and Wiring
- Stainless Steel Hardware

#### PUMP COMPATIBILITY

Brushed and brushless fuel pump options are available for the FHST. The system is suited, but not limited, to the following fuel pumps:

#### 20-1820-00

Walbro GSS342 255lph  
AEM 50-1200 E85

---

**20-1821-00**

Ti Automotive BKS1001 (brushless)

**20-1822-00**

Walbro F90000267 E85

Walbro F90000274 E85

Walbro F90000285 E85

**INCLUDED**

The comprehensive kit includes all parts necessary to complete the installation including a pressure gauge, external fuel hose, fittings, electrical fuse, relay, etc. The user must purchase fuel pumps separately.

NO PUMPS INCLUDED
