Fuel Level Adapter for Nissan Skyline G37 / Q50 / Q60 Radium Engineering

Cena brutto	258,99 zł
Cena netto	210,56 zł
Dostępność	Na zamówienie
Numer katalogowy	331496979
Kod producenta	USA-RAD-20-0896

Opis produktu

OVERVIEWThe Radium Engineering FHST (fuel hanger surge tank) is the ultimate solution for fuel starvation issues in the Nissan Z33/V35 chassis. Due to the saddle-bag style OEM fuel tank and insufficient baffling, fuel starvation is common when the vehicle is driven aggressively, such as on a track. This results in unstable fuel pressure and possible engine damage from running too lean. A stand-alone surge tank is an excellent device for eliminating fuel starvation issues. But installing a stand-alone FST is difficult specifically in the 350Z due to the open-cabin design, and lack of a firewall between the driver and the rear of the vehicle. So Radium Engineering chose to create a fully functional fuel surge tank **INSIDE** the OEM tank. The Radium FHST can be used with 1 or 2 aftermarket pumps and supplies 1:1 regulated fuel to the engine. No grinding, bending, or modification of the vehicle's sheet metal is required. Furthermore, the system is compatible with alternative fuels such as E85. Features-Drop-In Installation-Permits 1 or 2 Surge Pumps -Brushless Fuel Pump Compatibility-Integrated 1:1 Adjustable Fuel Pressure Regulator-Fuel Pressure Gauge-Fuel Starvation Protection-High Current Electrical Hardware-Compatibility with Popular Fuel Pumps-Anodized Aluminum Construction-Gasoline, Methanol, and Ethanol Compliant-Fuel Resistant Tubing and Wiring-Stainless Steel Hardware 20-0896 FUEL LEVEL ADAPTER, SKYLINE G37 Q50 Q60As shown below, this is necessary to adapt the fuel hanger surge tank kit to the Infiniti G37, Q50, Q60, and Nissan Skyline. **COMPATIBILITY**NISSAN SKYLINE SEDANDec08 - up (excluding 2.0L Turbo)INFINITI G37 SEDANDec08 - up INFINITI Q50Nov13 - up (excluding 2.0L Turbo) NISSAN SKYLINE COUPEDec08 - up INFINITI G37 COUPEDec08 - upINFINITI Q60Nov13 - up (excluding 2.0L Turbo) Instruction PDF
