## Fuel Pressure Gauge 0-100 PSI With 8AN Adapter Radium Engineering

Cena brutto	<b>338,99 zł</b>
Cena netto	<b>275,60 zł</b>
Dostępność	<b>Na zamówienie</b>
Numer katalogowy	<b>331469888</b>
Kod producenta	<b>USA-RAD-20-0075</b>

### Opis produktu

This high-accuracy fuel pressure gauge is suitable for all fueling applications. It features an acrylic lens with a silicone filled dial that reads from 0 to 100psi (0 to 6.9 BAR) with +/- 2% accuracy. The silicone fluid prevents the needle from vibrating for easy pressure readings. The internal bubble is normal. Rugged stainless 1-5/8" OD steel case (1-3/4" OD bezel) with nickel plated male 1/8" NPT fitting. Available with black bezel and housing only.

#### NOTES:

1. The internal silicone bubble is normal.
2. Overpressurizing can permanently misalign the needle calibration.
3. PTFE thread sealant paste should always be used on NPT threads.
