Opis produktu

The Mishimoto Teardrop Shift Knob puts a little twist on a classic design. The 2-piece hybrid design incorporates a heavy stainless steel core and a thermoplastic outer shell. The thermoplastic material provides protection against extreme surface temperatures and is available in black or white to help match the style of your interior. This teardrop shift knob weighs in at 10.37 oz to provide precise and accurate shifts. This Mishimoto shift knob features a plastic insert with three set screws for fitment onto shift leavers without threads, along with four plastic threaded inserts to allow for fitment on various other vehicles. Overall Height: 3.07" / Diameter: 1.97" / Weight: 10.37 oz. Application Fitments: M8 x 1.25, M10 x 1.25, M10 x 1.5, M12 x 1.5 CNC-machined thermoplastic outer shell Secondary mounting system with set screws and blank rubber caps Mishimoto Lifetime Warranty
