Opis produktu

Grip and rip on your shifter in comfort. This pistol grip Mishimoto shift knob is ergonomically designed for maximum comfort. Unlike many other pistol grip shift knobs, this one actually fits to your fingers. CNC-machined from billet 6061 aluminum, this knob weighs in at 7.2 oz for a precise and accurate shift feel. Four plastic inserts allow for fitment on a wide variety of vehicles. Overall Height: 3.86" / Diameter: 1.14"-1.34" / Weight: 7.2 oz. Application Fitments: M8 x 1.25, M10 x 1.25, M10 x 1.5, M12 x 1.25. Perfectly conforms to your hand for smooth and seamless gear changes. CNC-machined and anodized billet 6061 aluminum. Mishimoto Lifetime Warranty.
