Opis produktu

GReddy Aluminium Pulley Kit To suit Toyota Soarer JZZ30 (from 08/96) Engine code : 1JZ-GTE VVT-i Duralumin (A2017) with anodized blue finish Improved engine response Minimised power losses Lightweight and sturdy Compatible with OE belts GReddy part number : 13512110 Fast shipping ! GReddy Aluminium Pulley Kit for Toyota Soarer JZZ30 Specifications This GReddy pulley kit has been specially developed for the 1JZ-GTE VVT-i of the Toyota Soarer JZZ30 (from 08/1996). Thanks to their design in duralumin (an alloy made from aluminium, copper, magnesium and manganese) with a blue anodised finish, these pulleys are as light as they are strong, significantly reducing the inertia momentum of the engine's axis of rotation. Power losses are minimised and throttle response is improved. These pulleys are perfectly compatible with original belts. Kit contents : Water pump pulley Power steering pulley Alternator pulley
