Opis produktu

GReddy ZN6 / ZC6 Steering Wheel To suit Toyota GT86 ZN6 / Subaru BRZ ZC6 "zenki" (12-16) True to the OE steering wheel design Diameter : 355 mm High-quality black leather upholstery Hand-made GReddy 3-color centering stripe and stitching Lightweight and highly rigid frame Compatible with genuine steering wheel parts GReddy Black Leather Steering Wheel with 3-Color Stripe for Toyota GT86 (12-16) Specifications Designed for the early Toyota GT86 ZN6 and Subaru BRZ ZC6 models (2012-2016), this GReddy steering wheel enhances the driving experience by providing superior comfort while retaining the design and functionality of the standard steering wheel. It is covered in full and breathable black leather with pistol grip sides for an excellent grip. With a diameter of 355 mm, this steering wheel allows for more direct handling by limiting the extent of movement. It rests on a light, rigid frame and features hand-made center mark and stitching in the GReddy colours (blue, yellow and navy). The parts supplied with the genuine steering wheel, the airbag and the paddle shifters can be transferred as they are to this GReddy steering wheel. The airbag, switches, paddle shifters and covers are not included.
