To suit Nissan RB25DET  
Flow rate(s) : 695 cc/min  
Type : top feed  
Direct OEM replacement  
Flawless quality and reliability  
GReddy part number(s) : 13923320  
GReddy Injector Kit for Nissan RB25DET Specifications  
This GReddy kit, specially designed for the RB25DET engine, includes a fuel rail and a set of 695 cc injectors with connectors, terminals and sleeves to significantly improve the fuel supply to the turbocharged Nissan 6-cylinder. Developed to be 100% "plug and play", this kit combines top quality and reliability and can be installed in place of the OEM components, with no modifications required.  
Note : can also be installed with the GReddy intake manifold (surge tank) for RB25DET.
