To suit Toyota 1JZ-GTE VVTi
Flow rate(s) : 695 cc/min, 834 cc/min
Type : top feed
Direct OEM replacement
Flawless quality and reliability
GReddy part number(s) : 13913210, 13913211
GReddy Injector Kit for Toyota 1JZ-GTE VVTi
Specifications
This GReddy kit, specially designed for the 1JZ-GTE VVTi engine, includes a set of 695 cc or 834 cc injectors (as required) with connectors, terminals and sleeves to significantly improve the fuel supply to the turbocharged Toyota 6-cylinder. Developed to be 100% "plug and play", this kit combines top quality and reliability and can be installed in place of the OEM components, with no modifications required.
