GReddy Power Extreme R Specifications
Known worldwide for its exhausts, the Japanese manufacturer GReddy presents the Power Extreme R catback for Toyota GT86 ZN6 and Subaru BRZ ZC6 with 4U-GSE or FA20 engines. Made of high quality SUS304 stainless steel ensuring excellent durability with full TIG welds and titanium look tailpipes (heated blue effect). It has been developed to suppress unpleasant sound frequencies while offering a very nice aggressive sound. By design, this unrestricted exhaust with a premium finish, significantly improves engine performance for improved driving sensations. It gives the vehicle a pronounced and identifiable sporty style. It is fully bolt-on and mounts in place of the existing one without modifications.
Characteristics :
Section : cat-back (after catalytic converter)
