About GReddy  
Founded in Japan in 1977, Trust is a major player in the world of performance parts. Trust makes all of its products in Japan, at its factory in the suburbs of Tokyo. Their vast catalog comes under several brands, including GReddy (exhausts, turbocharger kits, radiators and intercoolers, electronics ...), GREX and GRacer. DriftShop has an exclusive partnership with Trust in Japan, allowing us to distribute their products directly from the factory, at the best price.
