GReddy x Hornet Steering Lock Specifications  
Developed in collaboration with Hornet, a specialist in car alarms and security systems, this safe and dissuasive GReddy steering wheel lock allows you to block the vehicle's steering. To use it, nothing could be simpler, simply pass the metal wire through the inside of the steering wheel and lock the padlock by inserting it into the seatbelt buckle. The key is used to unlock the mechanism and is resistant to picking. The device is compact, foldable and therefore easy to store, and weighs only about 440 g.  
Warning: This lock is not compatible with the following vehicles: Toyota Land Cruiser 70 & 300 series, Land Cruiser Prado 90 series, Chaser 100 series, Lexus LX600, Daihatsu Copen. Other vehicles may be affected.
