Cena brutto	629,00 zł
Cena netto	511,38 zł
Numer katalogowy	GT-HAR6HV5.B.30

Opis produktu

The GT2i Race 6-point harness uses 100% polyester straps and can withstand forces of 3800 Newton. The steel adjusters incorporate a spring to optimize tightening. The yellow tabs allow you to loosen the straps quickly to untie yourself at the finish line. This sedan harness also has a Velcro® strap for attaching a radio cable or water dropper. The C40 steel aviation buckle meets the specifications and precise tolerances of the FIA standard. It receives C60 carbon steel fasteners. Its central buckle has been redesigned to facilitate the locking and unlocking of the harness while reinforcing the mechanism to increase safety and at the same time prevent the entry of impurities inside the system. Valid until 12/31/2029 for .29 versions Features :
Shoulder straps: 2"/3" HANS® specific
Abdominal straps: 3".
Aviation buckle on 6th point. Made in Europe. Delivered without eyelets Homologation FIA 8853-2016
