Hardrace Front Radius Arm Suzuki Jimny

Cena brutto	2 212,04 zł
Cena netto	1 798,41 zł
Numer katalogowy	HR-Q0689

Opis produktu

The HARDRACE radius arm is designed for Jimny with 3" lift. The arm features built-in caster increase to maintain factory alignment setting, allowing greater axle movement and handling performance after suspension lifts. With ED coated and painted high strength construction and harden rubber bushing, these arms provide superior strength and durability along with solid driving response. . Correct caster angle on lifted cars . High strength construction . ED coating and painting for highest durability . Harden rubber equipped for better chassis response Note:For 2~3" LiftHarden Rubber + Pillow Ball2PCS/SET Fits:Suzuki Jimny 3rd 1998-2018 Suzuki Jimny 4th 2018-present
