### Opis produktu

Roll center correction solution! By installing the HARDRACE Roll-Center Adjusters, it will correct the suspension geometry of a lowered car, putting the control arms back closer to its original position, resulting in increased steering response and stability while eliminating bump steer. Decreases body roll. Improves tire contact patch with the road. Increases steering wheel responsiveness. Enables increased cornering force. Note: 2 PCS/SET Fits: Honda S660 JW5 2015-present
