Opis produktu

Front upper camber kit allows fine adjustments to the front end camber setting of the vehicle. It can either help maximize wheel contact patch to improve cornering grip or get your car back to original alignment specs after lowering. The arms are made of high-strength CNC aluminum with anodized surface to offer high durability, strength and yet remain light-weight. With high quality pillow ball joints equipped, they also provide greater handling response over the factory components.. Offers camber adjustability to suit various driving conditions. High-strength CNC aluminum construction. Anodized surface for highest durability. Premium quality pillow ball joints equipped. Improve handling performance. OE direct fitment. Factory headlight level sensor compatible Note:Pillow Ball Equipped2 PCS/SET Fits:Tesla MODEL 3 2017-present Tesla Model y 2020-present
